Re: Unit Holders of Waverly Hall Telephone, LLC
and
Waverly Hall Holdings, Inc.
Clarification of Joint Application for Streamlined Transfer of Control
WC Docket No. 05-225

Dear Madam Secretary:

In response to staff inquiry, and in support of the request for streamlined treatment, Applicants confirm that those of their affiliates who engage in the provision of telephone exchange service are either incumbent independent local exchange carriers (as defined in Section 64.1902 of the Commission's Rules), or are competitive local exchange service providers. In addition, Transferee Waverly Hall Holding, Inc. wishes to clarify that Eurazeo, a Signal Equity Partners II, LP owner, is, according to its webpage, www.eurazeo.com, a corporation, and to correct a typographical error appearing in the application which erroneously reports that Burden Direct Investment Fund III holds 111.76% of Signal Equity Partners II, LP. The correct percentage of ownership held by Burden Direct Investment Fund III in Signal Equity Partners II, LP is 11.76%.

Please refer any questions regarding this matter to the undersigned.

Respectfully submitted,

Sylvia Lesse
